

A DETAILED USER MANUAL FOR GAME COLLECTION APP

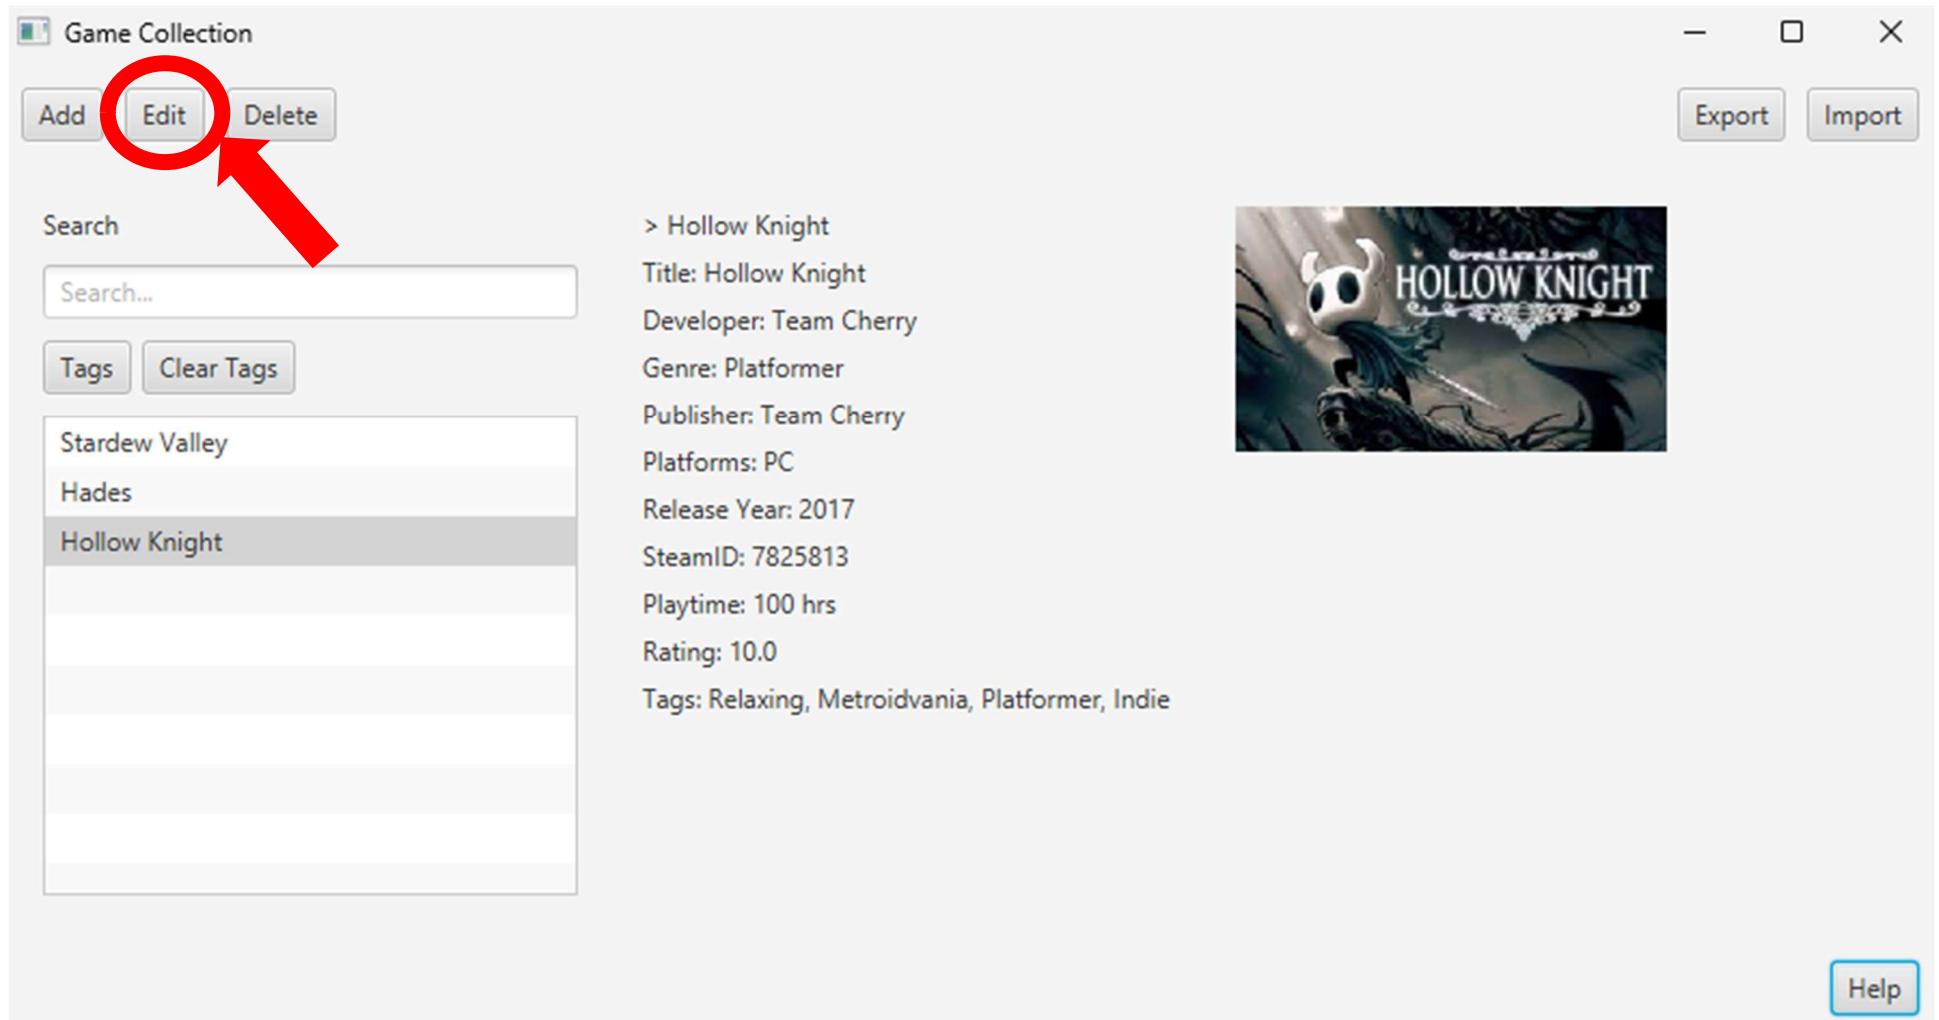

BUTTONS:

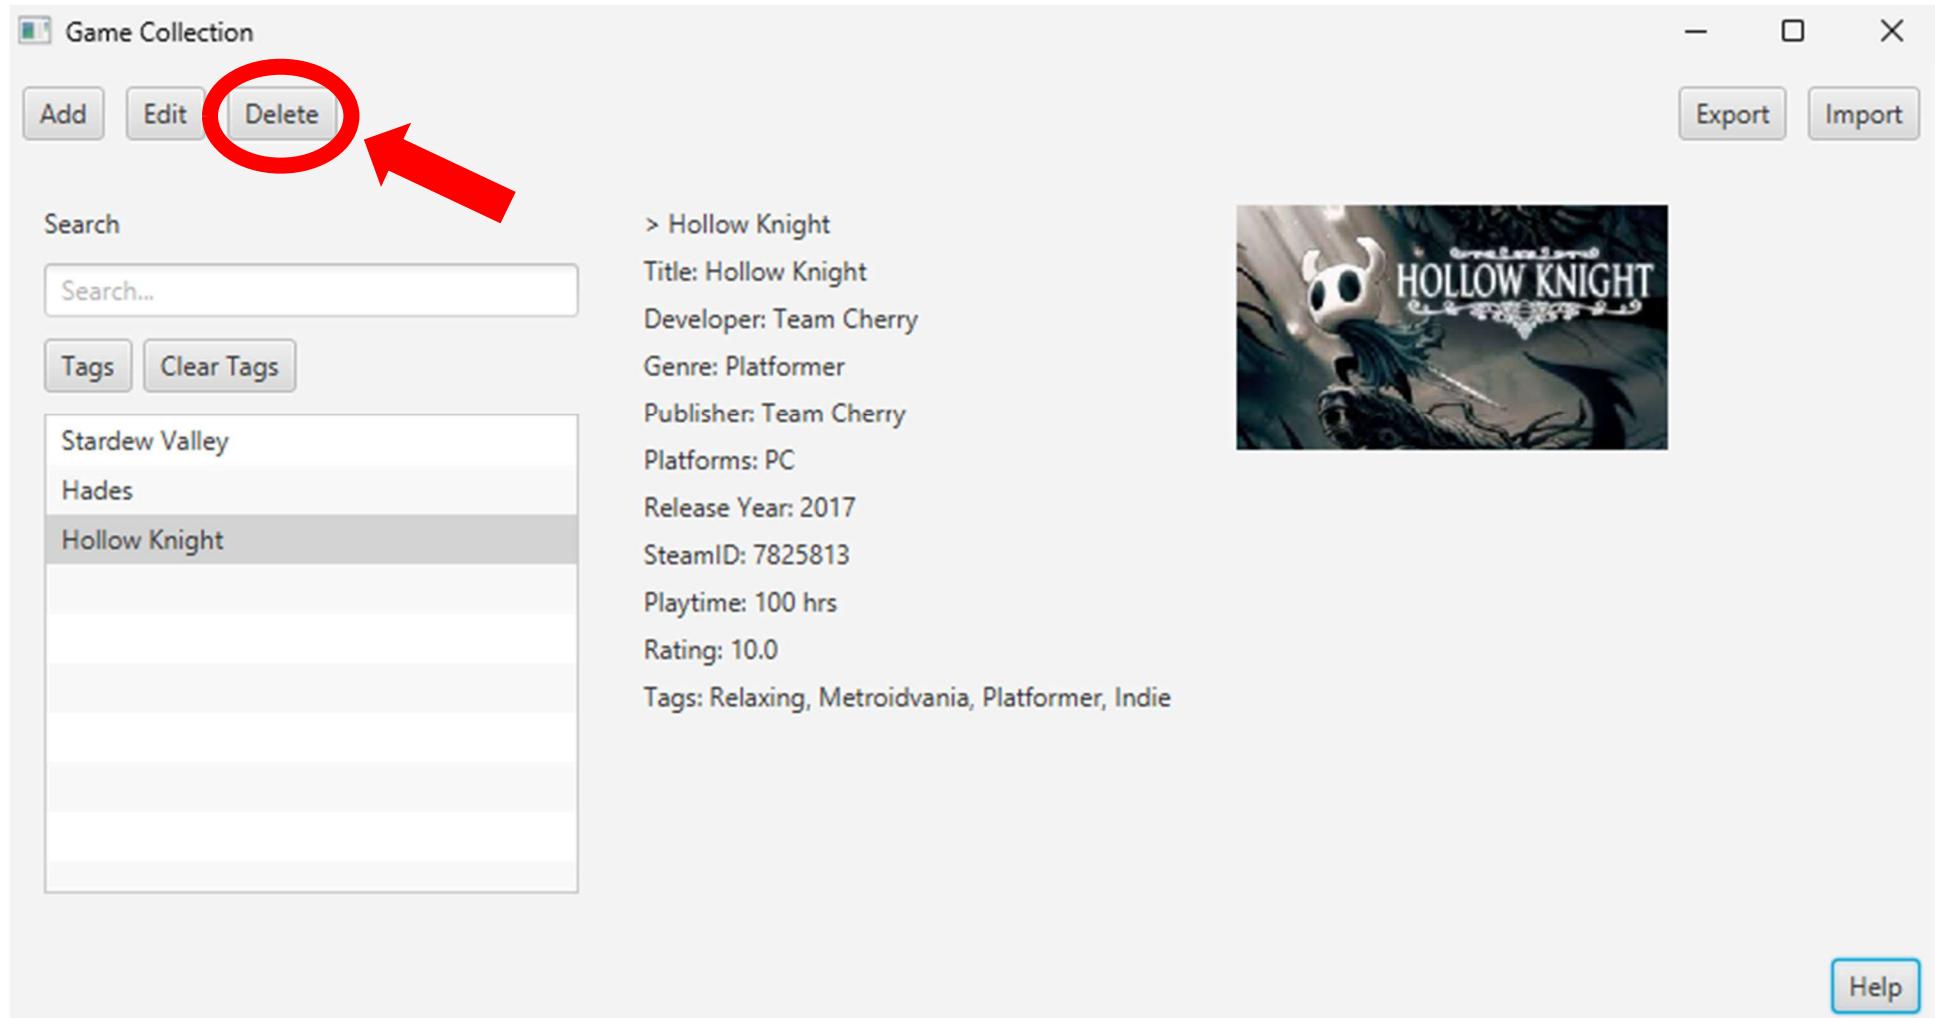

1) HELP BUTTON: This is the button to open this current manual.

2)ADD BUTTON: This is the button where we add a new game to the game collection. The information about the game should be stated correctly as stated.

3)EDIT BUTTON: This is the button where the already added game's details can be edited. The rules of the add button should be obeyed.

4)DELETE BUTTON: This button deletes the selected game from the game list. Reverting back is not possible currently.
